About HerSynergy Tribe

HerSynergy Tribe is a network focused on **empowering rising women in tech** across the EMEA region, fostering mutual support through a **private community**.

With over **2,000 women** in our network and 150+ active members across EMEA and North America, we are the only **private network across Africa** focused on connecting mid-career women in tech and business.

Why We Exist

ENHANCING NETWORKING

Women **fill only 28% of C-suite positions**, with even fewer Black women represented.

HerSynergy Tribe bridges this gap through strategic networking and support.

EMPOWERING FAIR COMPENSATION

Women negotiate salaries less often and are **less likely to receive raises**.

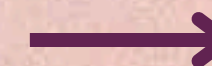

We equip our members with the skills to negotiate effectively and secure equitable pay.

BRIDGING THE MENTORSHIP GAP

63% of women report **never having a formal mentor**.

We provide targeted mentorship for mid-level professionals where support often dwindles.

Why Sponsor Us?

ACCESS A DIVERSE TALENT POOL

By sponsoring, you gain immediate access to a network of accomplished women professionals, most of whom are entrepreneurs.

This summit provides a unique opportunity to connect, engage, and potentially collaborate with this dynamic talent pool.

GAIN BRAND VISIBILITY

As a sponsor, your brand will be prominently displayed across all event materials and social media platforms.

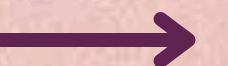

This summit presents a unique opportunity to position your brand directly in front of potential customers who are actively seeking solutions to enhance their businesses.

EMPOWER WOMEN ENTREPRENEURS

Your sponsorship directly fuels initiatives like the EmpowerHER Grant program, fostering female talent and innovation.

This enhances your reputation as a champion for women's advancement in business and makes a tangible difference in the lives of women.
